

# Living on the Edge

**March 2024**

[www.edgewoodparkassociation.com](http://www.edgewoodparkassociation.com)

Spring is coming. Daylight Savings Time is here. We have had a very mild winter.

## **Yard waste pick up starts April 2.**

Another important date is the annual meeting will take place on June 3 at the Richardson Center.

Road pot holes are very minor. We will take care of them as soon as we can. We are getting opinions and quotes as to how to proceed with the major resurfacing.

The lake pump has been repaired. Docks are going in soon. Boats will follow shortly. Enjoy our beautiful lake.

The entrance sign replacement is still being considered. We have several options and they will be presented at the annual meeting.

The subdivision is 99 years old. July of 2025 will be the big 100 year anniversary. If you have any information or pictures from long ago and would like to share, let Chris Hill know.

Did you know that ice boat races were held in the past.

Now another interesting factoid. Newton road is named after the man that dug the ditch from the lake to near Byers Farm.

Check out our website for news and updates. [www.edgewoodparkassociation.com](http://www.edgewoodparkassociation.com)

## **See you around the neighborhood.**
