

Living on the Edge

November 2023

Happy Thanksgiving to all. May you rejoice having the family together and a wonderful Thanksgiving meal. It is time to honor our family ties and friends.

Sadly, we lost a resident. Linda Cassar passed away. She was the loving wife of Richard Cassar and Mother of Richard Jr. and Candy Kniaz who both live on the court. Condolences to the family and our thoughts and prayers are with them.

Last leaf pick up is December 5. So get it done as Larry the Cable Guy says.

The construction projects are winding down. In fact the two houses that have been under construction should be occupied for Thanksgiving. Welcome to our new neighbors. The Knightons and the Stenbergs are now moved into the new homes.

Road repairs were done a few weeks ago. Snow plowing will be the same company again. If there are any issues, contact Dave Dancu at 248-363-7008.

The lake pump has been repaired.

The entrance will be decorated for the holidays. Mary Smith and Helena LeDuc have volunteered to do this. Thank you in advance.

The subdivision is now almost 100 years old. July of 2025 will be the big date. If you have any information or pictures from long ago and would like to share, let Chris Hill know.
